Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: November 1st, 2020

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Description

POSITION BACKGROUND

The Neutrino and Dark Matter group at the University of California, Davis invites applications for junior/assistant specialist position. We are seeking for a highly motivated and enthusiastic individual to contribute to basic research projects in particle physics experiments.

The successful candidate will join the liquid argon group in the Department of Physics at UC Davis. The candidate will support Prof. Pantic's team (<http://pantic.physics.ucdavis.edu/>) working on different projects focusing on development, fabrication and testing of liquid argon detector components. Our lab is following UC Davis guidelines for conducting research during COVID-19 (<https://research.ucdavis.edu/research-continuity-planning-for-covid-19/>).

SALARY RANGE: Junior Specialist, Step 1, 50% appointment or higher, or Assistant Specialist, Step 1, 50% appointment of higher

POSITION AVAILABLE/CLOSING DATE: For full consideration, apply by September 1st, 2020. Applications received after this date will only be considered if the position has not yet been filled.

TERM OF APPOINTMENT: 50% or higher for 1 year, starting September 1st, 2020, with the potential to extend up to an additional 12 months upon satisfactory progress and availability of funding.

TO APPLY: To apply, please go to the following link: <https://recruit.ucdavis.edu/JPF03662>

Applicants should submit a cover letter indicating for which of the two positions you are applying, how you meet the minimum and desirable qualifications, your most recent CV and contact information for 2-3 recent references. All letters of recommendation, if requested, will be treated as confidential per University of California policy and California state law. Documents/materials must be submitted as PDF files.

QUESTIONS: Please direct questions to Associate Professor Emilija Pantic via email pantic@ucdavis.edu.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex,

sexual orientation, gender identity, national origin, disability, age or protected veteran status. For the complete University of California nondiscrimination and affirmative action policy see:

<https://www.ucop.edu/academic-personnel-programs/files/apm/apm-035.pdf>

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain UCSC positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available <http://www.uscis.gov/e-verify>.

UC Davis is a smoke & tobacco-free campus (<http://breathefree.ucdavis.edu/>).

If you need accommodation due to a disability, please contact the recruiting department.
