Course Substitution/ Waiver requests should be submitted well in advance, preferably prior to enrollment in the course.

1. Student must first speak with a faculty advisor.
2. Faculty advisor submits course substitution/waiver request to the Undergraduate Curriculum Committee for approval.

Advisor please Initial & date substitution/waiver requests and submit to the Chair of the Undergraduate Curriculum Committee.

Approval: \_\_\_\_\_  
                                 Physics Advisor                                  Date

(Required for delcaration of major & any subsequent substitutions)

Approval: \_\_\_\_\_  
                                 Departmental Approval                                  Date

(Required only if there are substitutions.)
