

# UC DAVIS PHYSICS

Picnic Day | 04.21.2018

## Lord of the Strings

20th Annual Physics Club Shows

Roessler Hall 66

10:00-10:45 am

11:00-11:45 am

1:00-1:45 pm

2:00-2:45 pm

3:00-3:45 pm

## Physics is Fun

Roessler Hall 168

10:00 am —4:00 pm

A room filled with demos showing cool physics and some applications to modern technology. Informal and staffed by physics student volunteers.

## Public Lectures

Roessler Hall 55

- |             |                       |  |
|-------------|-----------------------|--|
| 2:00-2:25pm | Prof Mukund Rangamani | <i>Black Holes: A Hawkingsian window into the universe</i> |
| 2:30-2:55pm | Prof Lloyd Knox       | <i>Seeing the Big Bang</i>                                 |
| 3:00-3:25pm | Prof Steve Carlip     | <i>The Physics of Global Warming</i>                       |
| 3:30-3:55pm | Prof Shirley Chiang   | <i>"Seeing" Atoms and Molecules on Surfaces</i>            |
