

## Request for Physics 194H Enrollment

I have read the expectations for a Physics 194H project and thesis. My project proposal is attached.

---

Student's name (print)

---

Student's signature

---

I am willing to supervise the research and writing of this undergraduate honors thesis.

---

Research advisor's name (print)

---

Advisor's signature

---

The physics research project described in the attached proposal is reasonable for a physics honors thesis.
